It gives me immense pleasure to present the second edition of the newsletter for the Department of Commerce. We are delighted to get back, fighting Covid-19, after a couple of years. As the head of the department, I am proud of our faculty and students who have shown great commitment and resilience to adapt themselves towards blended teaching. Having said that, I would also like to appreciate the guidance, efforts and support of Vice Rector Office, Coordinator Office, Chief Proctor Office and College Information Office for smooth functioning. As a team, we are keen to ensure that our teaching practices are up to the standards and we would endeavor to achieve our vision. At the start of the session 2021-22, we bid farewell to one of our greatest assets, Damian Honey (Lecturer) and welcomed two of the new faculty members, Ms. Momina Hamid (Lecturer) and Ms. Sania Saeed (Lecturer).

A webinar on FOREX Trading was conducted by the Intermediate Business Society keeping in mind the importance of trading market in the growing industry. The session was conducted by our Guest Speaker, Mr. Jawad Hasan who is a known name in the FOREX Trading market. First it was planned to be done in Sinclair Hall but unfortunately had to be shifted online due to Covid-19 and further sessions had to be postponed due to uncertainty in the situation. However, despite these challenges, the webinar was successful as it instilled the interest of further looking into the industry in our students and they were able to learn the techniques and get their queries answered by Mr. Jawad Hasan.
