2021-2022

Department of Computer Science (College)

**Forman Christian College, Lahore
(A Chartered University)**

**Prof. Akram Naul
Head of Department**

Message from the Chair

We have prioritized our aim to serve the best high standard education in Computing and become the exemplary educational institution. To stand on this level, we have the commitments and support of our faculty, staff and our cooperative students for achieving the excellence. Considering this modern technological era, we sight to construct our students with the pre-eminent life skills and passion to lead the technical world.

Introduction

Computer Science Department is a part of the College Section of FC. By facilitating the students with best teachers and computer labs to build the effective connection between students and their field of computing.

Computer Science Department

Computer Science department is headed by Head of Department, Akram Naul and a faculty member Ms. Maria Yousaf. We teach five sections from morning and one section in the afternoon for 1st and 2nd years, thus making a total of twelve sections from both classes of ICS. We have two labs in A-Block, A-03 and A-53, in which students are assisted by two lab attendants.
