THE OFFICIAL INFORMATION TECHNOLOGY SERVICES NEWSLETTER FOR FCCU

Estd. 1864

BY LOVE SERVE ONE ANOTHER

Update 2018.3 May-June issue)

Message from the Chief Financial Officer

Dear Colleagues,

In the fast changing and competitive world of today, it is absolutely necessary to have a state-of-the-art and cutting-edge IT infrastructure and technology plan. One of the major reasons for the success of FCCU is the fact that our IT department is fully capable of meeting this need of the hour. The newsletter is just one of the many proactive efforts of the IT department that should be commended. With increasing dependence on technology the paradigm shift has been towards investing more in this area with prolific results. I believe that with our current team and efforts in the area of IT we can provide state of the art facilities and peerless educational services not only in Pakistan but the whole of South Asia. I would like to extend my best wishes to the ITS team as they support FCCU in achieving the vision of becoming a world class university.
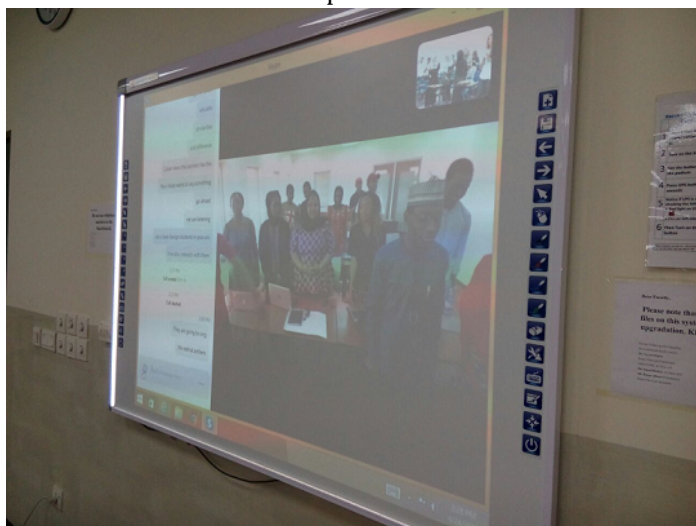

Andrew John
CFO

Recent Happenings in IT

Global Connect; Online Conference Sessions in Smart Classes

On 13th March 2018 the Global Connect session was conducted in a smart class. The session was conducted by Fahad Aftab from the Department of English, FCCU.

Class of English studies of FCCU was connected with a Nigerian University. The session included discussion on course topics.

These sessions provided an opportunity for students to connect with each other from different cultural backgrounds and bringing forth ideas with different perspectives.

On 24th April 2018 another session was conducted by connecting the class to Nigerian University.

Roll of Rector's Nominee in Search Committee

ORGANIZED BY HUMAN RESOURCES DEPARTMENT, FORMAN CHRISTIAN COLLEGE (A CHARTERED UNIVERSITY)

On 19th March, 2018 in E-001 a training session was organized by HR department of FCCU and session was conducted by the additional registrar Dr. Sufian Aslam. The focus of the training session was on the search committee nominated by Rector.

E-001 is equipped with integrated solution that gives access to audio, visual aids, high speed internet, on screen touch capability and visual projection.

Wifi on the GO!

AWAY ON FCCU BUSINESS, NO PROBLEM! ITS WILL HELP YOU STAY CONNECTED

Restrict back date entry in previous award yearsThe ITS department issues hot-spot devices that allow you to stay connected while you are away from campus. For more information please contact Neyha Edgar at EXT: 250 or neyhaedgar@fccollege.edu.pk

Online Streaming

GET YOUR EVENT COVERAGE BROADCAST ONLINE

With high speed Internet facilities and high quality cameras you can get HD video streaming for your event around the FCCU campus

Since the past few years ITS has been providing the facility of online HD streaming to cover FCCU events. The online streaming provides you with the ability to reach out to your long distance audience, that is unable to attend the program. The online streaming videos are also archived so that anyone can click on the link and view the event in the future

Following are the significant features of online streaming:

1. Online presence of the event
2. HD quality video with high speed in-house internet facilities
3. Multiple venues can be addressed by streaming, where the speaker is not present
4. High quality panning and tilting features of camera ensures proper maximum coverage
5. Power Point presentations can also be connected with streaming

NOTE :To ensure that the usage of content and pictures meet the FCCU policy the request for streaming will be coordinated with the office of Communications and Publications.

Digital Signage

ADVERTISE AND PROPAGATE YOUR EVENTS!

In 2015, the digital signage solution was implemented at Forman Christian College (A Chartered University) by the Information Technology Services Department. Digital signage screens are available at following locations in FCCU:

a. Business & Social Sciences Building (E-Block)
b. Armacost Science Building (S-Block)
c. Ahmad Saeed Administration Building (N-Block)

Following are the benefits of using digital signage:

a. Marketing your events by creating a digital buzz on signage at different venues
b. Reach maximum audience
c. Grab the attention of your students by using audio visual transitions
d. Reinforce communication

In order to use these services please get in touch with the office of Communications & Publication.

Some Guidelines

Empower; Student Lists on Empower Web

on accessing your Empower web account you are now able to view lists of your students for different criteria. The list is particularly important to view information on student records.

Empower web module provides you the access to view information on your students regarding their majors, enrolled credits and class division (Freshman, Sophmore, Junior or Senior).

1. After logging on to Empower go to student list by course.

2. Change the filter parameters according to your requirement. Following filter options are available:
a. Term b. Department c. Course d. Section you can select one or more filters. For viewing the list, inserting term is mandatory while other fields are optional.

3. Return to previous page. Now you can retrieve the list with or without selecting the student's major or minor. In addition, you can either view the complete list of students or just active students.
You can also sort the data by student or program

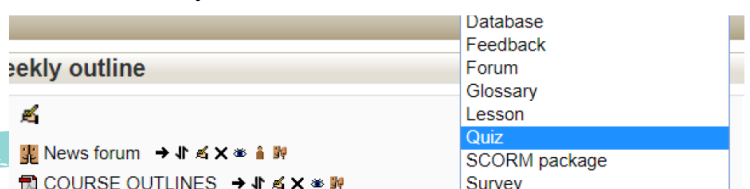

4. After making desired selections click on Get List:

The generated list shows you basic information, contact details, class division, level of program, enrolled credits major, active status and picture
At the bottom of the list there is a provision to send emails as well.

Select quiz under the drop down add an activity

Conducting quizzes on moodle is effective and saves paper while providing more instant responses to students and faculty. Following are the steps to create quizzes online:
1. After accessing your course click on turn editing on
2. Select quiz under the drop down; "Add an Activity"
