MESSAGE FROM THE HEAD OF DEPARTMENT

Dear Readers,

As we approach the end of another academic year, I would like to take a moment to reflect on our progress and many accomplishments we have had as a department. This year has certainly been a challenging one, but it has also been incredibly rewarding. I am proud of how we have come together as a department to support one another and continue to deliver high-quality education. We have grown as a community, both in our knowledge and understanding of the English language and in our appreciation for each other.

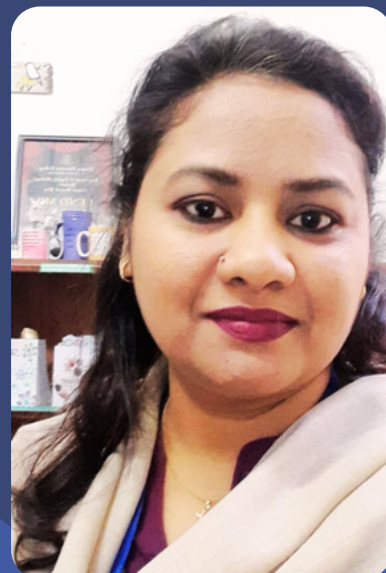

As the English faculty members continue to excel in their teaching and research endeavors, I would like to take this opportunity to express my heartfelt gratitude to each and every one of them for their unwavering dedication and commitment to excellence. Their enthusiasm and hard work have created an inspiring environment for learning and exploration. They have brought their expertise and passion to the classroom, making English come alive for our students. Both faculty and students received accolades for their achievements.

Finally, as we look ahead to the next academic session, let us continue to strive for excellence and embrace new opportunities. Let us foster an inclusive and supportive environment where all voices are valued and heard. Together, we can continue to push the boundaries of knowledge, engage in meaningful dialogue, and inspire one another and also strive to achieve good LBISE results.

As we head into the summer break, I wish you all a restful and rejuvenating summer break. I encourage you to take rest and recharge for the new academic year.

God bless!

Eram George
