

Message from the Head of Department

Ms. Seun (Joy) Cho

Head of Department Visual and Performing Arts

As we look back on the fruitful academic year of 2023-2024, and look forward to the coming year of 2024-2025 with eager anticipation; we are grateful and give thanks to our God most high for what we have achieved. I shared in the first newsletter that we would be experiencing a new Sound of Music on campus. Indeed, this musical sound has been resonating in every corner of the Forman campus during this past year. Students are beginning to be influenced musically and they are bringing their musical knowledge into other academic realms.

A group of students won the second price in the sci-Novation 2024 with the creation of the 'Laser Harp'. This can be referred to as fruit from the music sessions. It has been very exciting to see the developing musical fruit within the regular music classes and shown magnificently in our Mega Christmas Gala 2023. This year we entered into the history of Forman with a FC College Anthem being launched. We also achieved commendable results at the All Pakistan Competition this year.

In terms of 'Teaching and Learning Music', we still have some challenges, but we will keep doing our best to progress in developing different 'concepts' in music. This is a great motivation for us in striving forward.

19th APMC at Chand Bagh School

Forman Christian College students showcased their talents at the 19th All Pakistan Art and Music, Essay Writing Competition held at Chand Bagh School on November 18, 2023. Notably, it was the second time that the FCC team consisted exclusively of college students. The experience proved enriching for both the students and the faculty. We participated in the different competitions in Ghazal & Folk song category. Our students exhibited remarkable skill in the music competition. Many different schools and colleges participated from different cities of Pakistan.

We proudly announce that **Sameed Butt** from 2M 1 secured the 2nd position in the Ghazal category during the finals. This achievement stands as a testament to the exceptional talent and hard work fostered at FCC. Experiencing a big crowd was also a valuable learning experience for students. We are pleased that FC College provided an opportunity to our students to showcase their skills on a larger platform.

Christmas Gala

"Emmanuel God with Us."

Part 1

God With Us

"The baby born is the Almighty God"

Part 2

God With Us

"God is here, with us"

Part 3

God With Us

"Now, We are a new creation"

After the resounding success of last year's Christmas Gala, FC College once again welcomed the Christmas Season with open arms by hosting a magnificent event under the theme of "Emmanuel God with Us." This year's Gala promised to be even grander, with a special focus on celebrating the spirit of togetherness and joy that defines the Christmas season.

The main idea of the Christmas gala came from our Vice Rector College, Dr. Ivan Suneel. Under the vision of the Vice Rector, Ms. Joy and her team brought the Gala to the stage. Through auditions of singers and musicians and speakers, there were approximately 50 students who performed in the

Gala. Ms. Susan Bakker who is teaching Christian studies prepared the speakers. Faculty members of English department also rendered their services to assist Ms. Susan to help with the pronunciation. After tireless efforts of 3 months practice, the heart of the event was a magnificent choir beautifully directed by Ms. Joy.

14 songs were prepared in 5 different languages respectively English, Urdu, Korean, Punjabi and Dutch.

Finally, on the evening of 8th December, the much-anticipated performance day arrived. As the choir and the speakers took to the stage, their voices filled the air with the timeless melodies of the season, sharing the true message of Christmas with all the audience, Emmanuel - God with us.

The Rector Dr. Jonathan Addleton, extended his heartfelt appreciation to all the Faculty, Staff and Students who dedicated their time and talent to make this event a success. The entire audience thoroughly enjoyed

the mesmerizing performance.

While the choir undoubtedly stood as the main highlight of the show, it's essential to acknowledge that the success of the Christmas Gala wouldn't have been possible without the immense cooperation of countless individuals.

Mr. Rehan Sohail played a vital role in making the Christmas gala a great success. A beautiful stage, sound system, and all other support would not have been possible without his untiring efforts. Stage decorations were crafted and created by Ms. Hina & her team. The collective efforts truly embodied the essence of the FCC motto 'By love, serve one another'.

Gratefully, The Vice Rector College, Dr. Ivan Suneel, extended a warm invitation of a dinner party to all the participants at his house to commemorate the success of the Christmas Gala.

FC College Anthem

It brings us great joy to highlight the remarkable initiative undertaken by two esteemed faculty members of FC College. Ms. Joy and Ms. Susan made history by creating the first-ever FC College anthem. In April 2023, Ms. Joy proposed the idea to have our own College song to Dr. Suneel, and he enthusiastically accepted it. Ms. Susan Bakker, a native English speaker, wrote the lyrics drawing on her poetic talent. The lyrics reflect FC's core values and motto, expressing our pride. Ms. Joy then composed the music and the anthem was taught in every music class.

We worked on recording by our college choir. It's now sung on every occasion, filling us with pride and unity. Recording sessions were held throughout the month of January. It was a great new experience for the FCC students.

Music Teacher's Seminar

The Visual & Performing Arts Department planned a series of seminars from 17th April to 3rd May, spanning three weeks. These sessions were pivotal for the music teachers to discuss the music syllabus. Ms. Joy delivered a comprehensive overview of the music syllabus of 2024, equipping teachers with valuable insights for the regular classes in Western music. The Music teachers focused on their teaching goals: first-year focused on reading music scores (HRMS) and second-year dived into World music appreciation. This seminar series proved to be an incredible opportunity for professional growth and knowledge sharing among the music teachers.
